WE ARE THE INNOVATION CORPORATE

ABOUT US

AxonTec, recognized as one of the premier ELV integrators in Saudi Arabia, specializes in developing industry-specific, customized solutions in Riyadh for clients. Our focus is on meeting their requirements and addressing key challenges with strategic solutions. Being based in Riyadh gives us a significant advantage in delivering and implementing ELV solutions across Saudi Arabia.

We are also proud to be considered one of the best CCTV system installation companies in Riyadh, Jeddah, and Dammam. As a project management and security system installation company headquartered in Riyadh, AxonTec Security Solutions offers turnkey ELV solutions, system integration, CCTV project design, and commissioning tailored to our customers' needs. Our goal is to create more innovative, safer, and secure environments in both private and public spaces throughout the al-Khobar area.

MISSION, VISION AND VALUES

OUR MISSION

Our mission is to offer customers a diverse range of top quality products, excellent service, and competitive prices. Our Service Department is staffed with qualified technicians, and we prioritize providing the best care for post service support at all times.

OUR VISION

Our goal is to become a leader in the security surveillance field by delivering excellent service through our professional team, honoring our commitments, and promoting environmental responsibility. We are dedicated to fostering close and friendly business relationships with clients throughout the Middle East. Our aim is to position ourselves as a top system integrator, enabling us to stand out from competitors and offer unique value to our clients.

OUR VALUES

Our company values are centered around trust, positivity, quality, and accountability, with a focus on the family aspect. We expect every new member of the Zero Fire team to be accepted, valued by all, and committed to maintaining these values as we grow personally and as a team.

**Our value
is to create
a professional
dedicated work**

Security Company

PABX IP

TELEPHONE SYSTEM

We manage your communication needs across different scenarios, including the installation of new PABX equipment and lines, as well as the expansion and upgrade of existing PABX systems. If you're looking to purchase or maintain a business phone system in today's complex landscape, you likely need more information given the intricacies of modern telephone systems. Our unique capabilities and streamlined processes can help address your requirements effectively.

AUDIO VIDEO INTERCOM

Our audio-video intercom systems are extensively utilized in offices, individual residences, and societies for security purposes, boasting top-notch designs. We work with internationally renowned brands such as Aiphone, Commax, Legrand, Alcad, Fermax, and Bticino, offering a range of audio, video, and wireless intercom solutions tailored to customer needs. Our expertise extends to handling high-end projects like intercom systems for metro stations, villas, homes, commercial buildings, schools, and colleges.

شركة اكسوتك الدولية الامنية
AXONTEC International
Security Company

STRUCTURED CABLING

We provide a systematic approach to designing and building network infrastructure, enabling organizations to integrate secure, resilient networks with intelligence. Our solutions ensure that installed systems meet current and future requirements, supporting the addition of hardware as needed in the future.

- ◆ Horizontal Cabling
- ◆ Backbone Cabling
- ◆ UTP, STP
- ◆ Coaxial Cabling
- ◆ Termination
- ◆ Fluke Testing

شركة اكسوتك الدولية الامنية
AXONTEC International
Security Company

SMA TV SYSTEMS

This refers to a system that combines multiple satellite and broadcast signals into a unified cable signal for distribution across a cabling network. Our installation involves setting up a satellite dish and TV antennae to receive programming from satellite providers as well as local broadcast networks.

شركة اكسونتك الدولية الامنية
AXONTEC International
